MCCA 2018 Training and Conference – Springfield, MO November 13-15, 2018

Call for Presentations

We invite you to submit a presentation proposal for our 2018 Conference and Training. This conference will bring together over 200 professionals in the child, family and community serving sectors, eager to learn about promising and best practices in direct care, advocacy, leadership and community change. Workshops will be held on November 14th and 15th.

Areas of interest include, but are not limited to:

Ethics	Diversity
Staff Retention	Progressive change
Child & Family engagement	Navigating Human Resource Challenges
Improving Organization's Fiscal Health	Marketing/Messaging/Social Media
Trauma Informed Practice & Supervision	Outcome Measurement that drives planning and decision making
Outcome Measurement & how it drives planning and decision making	Goal oriented collaboration and meaning community partnerships
Human Trafficking-Addressing Best Practices	Whole health care coordination building leadership capacity from within your organization
Putting goals into action – Mastery Through Success	Clarity and calming staff and students through yoga and meditation

Instructions:

1. Submit an abstract of the workshop, not to exceed one typed, double-spaced-page. Include:
 Workshop' contents, format key learning objectives, and presentation format.

2. Prepare 25-50 word description of workshop with a title that reflects content. This will be used for conference brochure, etc. MCCA may edit due to space limits. .

3. Attach a brief bio or resume (required for each presenter/co-presenter).

4. Complete the enclosed form and attach to the top of all paperwork. Please make a copy for each additional presenter.

Additional Presentation Information

- We will notify all who submitted proposals whether their proposal has been selected approximately 2 weeks after the submission deadline.
- Presenters are responsible for travel costs, meals and hotel.
- One presenter for each workshop will receive a free conference registration. (If you have co-presenters, indicate the name of one person to receive the complimentary registration)
- Workshops are scheduled for 90 minutes. If your presentation requires 2 sessions, the committee will work to make proper arrangements.
- All rooms will be set up theatre style with Power Point projector available. We will attempt to accommodate a different room set up upon request, if possible.
- Please provide your own laptop.
- Should your workshop be selected, we will let you know how many are registered closer to the conf.
- Please provide your own handouts.
- ***Please attach a brief bio.***

The deadline for the receipt of proposals is **May 31**. Proposals will be accepted by fax, email or regular mail.
